### MUSSETT ENGINEERING EXHIBITING AT FARNBOROUGH INTERNATIONAL AIRSHOW

Mussett Engineering is pleased to be exhibiting at the 2006 Farnborough International Airshow from 17th to 23rd July.

Located on stand E17 within the UK Village in Hall 4, Mussett Engineering will be joined by SBAC. Gordon Mussett and Colin Long will be looking to greet customers both old and new, and to explain how Mussett Engineering can provide the manufacturing capabilities you need.

Mussett Engineering is the largest sub contract engineering facility in East Anglia, with an impressive plant list and a highly skilled workforce. For further information, please contact Gordon Mussett on 01508 522501.
